Darling Loves,

May 14

Friday evening and I'm going to spend it with my sweetie, What shall we do, Darling. do you just want to stay home or do you want to go someplace. It's payday you know. Oh, I see you'd rather just stay home. Well to be truthful so would I. Now just a minute while I close the venetian blinds so we can have all the privacy we want. Now shall we sit on the davenport or do you want me to sit on your lap in your big chair? I'd rather sit on your lap, if you don't mind.

Oh, Darling, hold me close and just kiss and caress me all over. I just got a thrill thinking about it. you are such a wonderful kisser. It's out we get thrilled when we get kissed by each other. Baby when I see you it's going to make all

Giest and Jerry Coward were married.
Everytime I want to sit down and
write you a nice long letter, a million
and one people call me up. Isn't that
awful? maybe now I can be settled
for the evening.

Do you know, Sweetie, I can get
the garage door closed. I close them
all the time now.

Worry, I don't care about writing you
bad news, but I thought you would
be interested in this. You know

Georgiann was supposed to have her
baby at the end of March. Still she
waited and waited until it was almost
May and then she got scared and asked
the doctor what was wrong so he took
an x-ray and told her not to worry.
Still one night she got sick and couldn't
get her doctor so they got one from Lorain
and he looked at her and said that
she wasn't no nigre months and

the movie star kisses look sick. We
will really show them how to do
it won't we, Sweetie?

Darling, you're such a wonderful
person. In all your letters you are
always so cheerful. Don't you ever
feel like griping? If you do you
just go ahead and gripe. You don't
have to boost up my morale or keep
up my spirits. I know if I don't
feel very good, I always like to talk
it over with someone. and Baby, who
is closer to you than me — no one.
So, Sweetie, tell me just what you
think. I want you to feel just you are
home and when you felt like hollering
you did.

Darling, I think that was swell
of you to take Bob Ball into see
Genevieve. I'm sure his wife appreciate
it. Does he have any children? How
long has he been married?

Did you know that Margaret

he told her ⁴ to come to his office the
next day. So she went and he examined
her and he said that she didn't even
have a baby. She was carrying about
4 qts of water and she had a cyst on
her ovary. And now they have to
operate on her. Gosh, isn't that awful.
and they looked forward to having that
baby so. But Georgiana is taking
it pretty good. And now Freddie is
in 1A. His employer appealed for
a classification or a deferment but
I doubt whether he will get one because
he ~~has~~ not been working there very
long.

Oh yes, Sweetie and now for some
good news. Buddie has been put
in 1A. His deferment hasn't gone
through. I was very happy
when I heard that. I hate to see
any one have to go into the army

but it just tickled me about him. He
was always so cocky. I suppose before
he got reclassified he went around bragging
that he'd never have to go because
he was too valuable to the shop (hospital)
and Ed Kranyak has been deferred
for 4 months. And I read in the
Oberlin news column the Bob Behr
was given a honorable medical discharge
from the army. I wonder what's wrong
with him.

Darling, I have some very important
news to tell you now. I love you
very much, my little ^{crack} Graham boy,
you are such a sweetheart. I was
so lucky to have gotten such a
grand guy for my hubby. Only
Darling, don't ever change. Stay just
the way you are. Be your own
sweet self. I love you so much just
the way you are.

Downtown this afternoon. we did a little
and then we picked up Bill at the
Western, you know, Honey, all the guys
are working till 5:30 now. When we
come out at 2:30 there are no guys coming
out then. I doubt whether the girls will
go on 10 hours. They say they know that
they aren't going to do it, but who knows
what they will do.

I'm enclosing some pictures we
took Sunday. The one of me isn't so
hot ~~the~~ but its the only one that turned out
so that you could make out who it
was. I hope you like them.

Well, Baby, I'm getting powerful sleepy.
It will be lights out in my mind in
few minutes so I'd better close and
scidoodle to bed and dream of my
darling graham cracker boy.

Hold me close in your dreams, Sweetie

Baby, I'm glad you don't shoot crap or
gamble. I've heard so many fellows who
have lost their whole pay. you know
I'd send you money if you want it. But
that would be one time I'd begrudge
sending it to you, if you lost your
money by gambling.

I just got my notice that I'm
going to get a bond very shortly.
Here is the way I have it made out.
